# What to Expect from Your Time at Camp

We're thrilled you've chosen Camp Wyoming and we're excited to welcome your camper for their week of camp. Please be sure to read this sheet thoroughly, and of course, please let us know if you have any questions!

#### **Prior to Arrival at Camp**

The Parent/Counselor Form, Expectations and Permissions Form, Health Form, and Non-Prescription Medication Consent Form are included in this packet. Please <u>fill out these items</u> and send them to the Camp Office at least two (2) weeks prior to your child's camp start <u>date</u>. The Medication Sheet can be filled out and brought with you on the day of registration. Please note that each of these forms are required for attendance at Camp Wyoming.

#### **Check-In Day**

Come to Deer Center for check-in. Please note that we will be unable to adequately care for your child prior to the start of check-in, so please plan on staying with your child throughout the check-in process. **Check-in will be held at Deer Center at 3:00 p.m. on Sunday.** During Check-in, you may leave all of your belongings and bags in the car, however, you will want to bring with you any medications (including all over-the-counter medications) to be checked-in with the camp nurse or health officer. **All medication needs to be in the original prescribed container.** Check-in will involve the following:

- 1. Final payment of any outstanding camp fee balances.
- 2. Cabin assignments for your camper(s).
- 3. Health screening and head check. *If head lice are found on a camper, we are prepared to administer topical treatment on site which will enable the child to stay at camp while being treated.*
- 4. Drop off any medications to the nurse.
- 5. Receive a free t-shirt and purchase any Camp Wyoming keepsake items or clothing from our Camp Store.
- 6. Move your camper into their living unit.

### **Check-Out Day**

**Check-out will be at Hickory Lodge at 3:00 p.m. on Tuesday.** If you will be arriving late or if other complications arise, please notify the camp office as soon as the conflict becomes known. Check-out will involve the following:

- 1. Signing out your camper.
- 2. Picking up your camper's medication.
- 3. Loading your camper's personal belongings.
- 4. Chatting with your camper's counselors about the week.

## **Telephone and Mail**

Please expect that the use of telephone by a camper is not permitted except under the expressed permission of the Director in the event of an emergency or special circumstances. Campers are encouraged to write home throughout their stay, and they most certainly enjoy hearing from their family. Please address all mail to your camper as follows:

Camper's Name, Camp Session, Camp Wyoming, 9106 42nd Ave, Wyoming, IA 52362

#### Continued from page 2

#### **Health Concerns**

All counselors are certified in First Aid/CPR and are with campers at all times, 24 hours a day. The camp nurse or health officer conducts sick calls and dispenses all medication as prescribed and as needed. Parents will be notified if a camper has an illness or injury that requires more than first aid care. **Each family is responsible for covering costs of medical expenses incurred while at camp.** The camp insurance policy provides supplementary coverage for accident expenses which exceed the family's resources. It does not cover the costs for illness.

#### **Packing for Camp**

It is strongly recommended that all clothing and equipment be marked with your camper's name prior to arrival. Lost and found articles with names attached are much easier to return to owners. Lost and found articles left at camp will remain for two weeks to be claimed by their owners. Campers should bring enough clothing with them to last for their entire stay (washer/dryer is unavailable to campers except under special conditions or circumstances). When packing, keep in mind that campers need to be comfortable and able to get sweaty, wet, and every degree of dirty in existence—this is part of the fun of being at camp! *Please bring the following:*
